A Schedule that Balances Career, Studies and Family.

“The four days per month format works for me. I’ve been able to work it into my life – I’ve still been able to stay on the non-profit boards that I’m on, I’ve been able to balance it with my personal life, I just have this extra thing where I get to go off to school.”

Deidre Henne, Assistant Vice President (Administration) and Chief Financial Officer, McMaster University
